People	Who do you need to collaborate with to win? Who is on the other side of this issue? Why?
\$\$\$\$\$	What's the cost? Will a program or group lose or gain funding if this is passed? Is it an unfunded mandate?
Power	Who is involved? What coalitions? Member offices? Who will this upset? Will it affect your standing?
Win	What constitutes a win? Is there a compromise? How will a win impact your organization?

What are examples of the following you will need for your campaign?
